Width: 3481mm
Height: 3174mm

Bespoke options available, more details and prices are available upon request

The ability to offer unrivalled value for money whilst still ensuring exceptional quality and longevity is key. The Teenage range offers older children space to play, exercise and hangout.

Our uncompromising approach to safety during the design and manufacturing process is paramount. With this in mind all the items in the Teenage range are designed to meet the requirements of BS EN 1176.

In order to ensure the highest level of accuracy, our experienced production team utilise our custom made, state of the art, 6 Axis CNC machine alongside automated drilling equipment and flatbed CNC machine. This technology allows us to offer unparalleled accuracy in the field of play timber production.
